

INTERVIEW

Applicant name –

Interviewer's name and position – Kimberley Baraiolo (Placement Coordinator)

Date –

QUESTIONS

Why do you want to be an au pair or MH/Nanny?

What would you need in order to enjoy your time with your host family?

Describe your plans for the future. What are your goals?

Describe your general health, recent past and present.

Does your family support your decision to become an au pair?

Have you spent time away from home? If so, when, where and for how long?

Have you experienced homesickness?

What challenges do you anticipate while living with a host family?

Approximately how many hours childcare-related experience do you have?

50-100 ☐ 100 – 200 ☐ 200+ ☐ Qualified ☐

Important skills you have for being a primary childcare provider?

Please describe how you would respond to the following circumstances:

A 4-year-old child asks for an ice cream that the parents have told you she is not allowed to have.

Two young children fighting over a toy

Your host family calls at the last minute and requests you to babysit while they go out for the evening. You have previously made your own arrangements for the night.

The 2-year-old child that you are caring for has fallen down and cut his chin, which is bleeding.

You believe the children you care for are not disciplined and difficult to manage.

Describe the types of activities that you might plan for each of these age groups:

2 – 3-year-old -

4 – 6-year-old –

7 – 9-year-old –

10 – 12-year-old –

Assessment completed by the interviewer after the interview:
